## Drugs of Misuse

Thursday 29 February 2024

13.00 – 14.00

Chaired by Dr Sarah Tamplin, GP CPD Lead for West Wales

### Overview

The misuse of drugs by people of all ages is increasing, often leading to physical and mental ill health, and presenting challenges to professionals. Recognising how such drugs impact individuals and providing safe and effective care is vital. Join this webinar to learn how to make a difference to these vulnerable patients.

### Learning outcomes

After attending this event, participants will be able to:

- Identify 10 health harms associated with commonly misused drugs
- Confidently ask patients about their drug use during consultations
- Give simple harm reduction advice
- And direct a patient to a clean supply of needles & syringes

**Speakers:** Jamie Harris, Service Manager, Barod and Janet Keauffling RN, MSc, Queen's Nurse, MBE. Specialist Nurse, Homeless & Vulnerable Adults, SBUHB.

**Designed for:** GPs. Other allied medical professionals are very welcome to attend.

**Format:** A presentation followed by the opportunity to direct questions to the expert speakers during the webinar.

To register for this webinar, please visit [Virtual Learning Events | CPD for General Practitioners \(heiw.wales\)](https://www.heiw.wales)

*This session will be recorded for quality improvement purposes, but you will be able to disable your camera during the session.*
