

TESTOSTERONE

Wednesday 10 November 2021

19.00 – 20.00

Chaired by Dr Nimish Shah, GP CPD Lead for South Wales

Overview

Both women and men produce testosterone and can suffer from a testosterone deficiency. This webinar explores the role testosterone plays in both sexes, how to assess deficiency, and when to consider replacement.

Join us for this webinar to find out more.

Speaker: Dr Jane Clarke-Williams. Faculty Trainer, BMS Menopause Specialist and Trainer.

Designed for: GPs. Other allied medical professionals like Pharmacists and ANPs are very welcome to attend.

Format: An interactive presentation followed by the opportunity to direct questions to the expert speaker during the webinar.

To register for this webinar, please visit [Virtual Learning Events | CPD for General Practitioners \(heiw.wales\)](https://www.heiw.wales/virtual-learning-events/cpd-for-general-practitioners)

This session will be recorded for quality improvement purposes, but you will be able to disable your camera during the session.
